

Dear Senior Citizen

We at Mendem Motors have found that a fair percentage of our customers are shall we say in their golden years. They drive cars that are in reasonable to very good condition and are particular that they should remain so, are more safety conscious, and in many cases are running on a pension meaning a tighter budget for repair and servicing, some might not be as able to check the simpler routine items that they once did with ease, and of course cars are becoming more complex. With all this in mind, we have devised a senior citizen discount club, for a small annual fee we will provide you with safety checks, discounts, breakdown cover, information, and more.
