

## Garage Services

Mendem Motors is probably the largest independent car repair workshop in the area. Offering a village style service with the personal touch, whilst being able to provide the facilities associated with a major dealership. (ISO9000 Accredited)

At Mendem Motors we have always had a modern and fully equipped repair workshop. In our new purpose-built workshop we will be using the latest testing and diagnostic equipment available to ensure that your vehicle gets the very best care and analysis.

Now part of the Good Garage Scheme

Free collection and delivery in the Basingstoke area. Courtesy service within a five mile radius.

### Workshop Repairs

MENDEM MOTORS also offers these other great services. CLUTCHES, supplied and fitted, SUSPENSION, supplied and fitted.

TRANSMISSIONS, auto and manual, supplied and fitted. Please give us the opportunity to give you a great quote on having these parts replaced on your vehicle.

In most modern car engines there is a part so vital that to forget its timely replacement can be fatal, not only for the engine, but your pocket! This is the CAMSHAFT TIMING BELT. This rubber toothed belt keeps the rotating engine parts in perfect harmony. When they do break, this balance is upset with the inevitable happening, bent valves, at worst costing from a few hundred pounds to possibly nearer a thousand... or even a new engine! So, if you're in any doubt get us to check it.

Prevention is better than cure. It could save you a fortune.

## Engine Management Diagnostic

We are able to offer comprehensive testing of most modern engine management systems using the latest diagnostic equipment and with fault code reading.

New equipment such as the Snap-On Modis and Autocom ADP186 diagnostic and fault-tracing systems, for electronic engine management systems. In simple terms it will be able to trace most faults and rectify them in the shortest possible time.

## Servicing

We are able to Service all makes of vehicles including new vehicles still under manufacturer's warranties. Working to the manufacturer's times and schedules, using only dealer or 'top branded' parts will not invalidate your warranty. We are very competitive with our pricing especially when compared with Dealer prices... Give us a Call. And don't forget our FREE COLLECTION and DELIVERY SERVICE too!

## MOT Testing (cats & diesels)

We provide a full M.O.T. testing service including While You Wait and emergency appointments

MENDEM MOTORS has installed the latest ATL one manTest Lane . This is a quantum leap in checking your car's legal roadworthiness. It has the added ability to check the condition of your shock absorbers and wheel alignment if you require

Both of these services are FREE. MENDEM MOTORS will always, of course, give you free advice on any aspect on running your motor vehicle... Any questions please just ask.

## Crypton Tuning

We have at our disposal the most up to date Crypton CMT 2000 engine analyser, plus the new Auto-Com lap top computer controlled engine management diagnostic and fault code reading facility. It is also capable of resetting engine systems and testing for ABS, Air-Con, Air Bags, and Suspension faults.

## Fast Fit Brake Centre

MENDEM MOTORS are braking system specialists. Our skilled technicians are trained in the field of ABS Diagnostics.

We offer quality genuine branded parts from stock on a 'fast-fit' basis.

From time-to-time we will be offering, various FREE safety checks such as electronic brake fluid condition testing.

## Chassis Welding

All types of chassis welding undertaken to MOT standards

## Parts Sales

We hold in stock an extensive range of service related parts to ensure faster repairs or for sale over the counter, including clutches, starter motors, alternators, discs, pads, drums & shoes.
