

## Latest News

April 2008

Tadley's largest Motor Vehicle Repair, Servicing and recovery Specialists are delighted to announce that we have relocated to a new 'state-of-the-art' purpose built facility,

The new facility is just a short distance along the Silchester Road, towards Pamber Heath, at Stacey Industrial Park (Whitehouse Farm). Located just behind the Tadley Sunday Market site on Silchester Road.

Check out our special offers to celebrate our relocation!

September 2008

We have been accepted in to the GOOD GARAGE SCHEME, a web based garage information and quality control tool

The Good Garage Scheme has been set up to inform and advise consumers on where to go and what to look for when arranging a car service, repair or MOT work. Scheme members are local independent, friendly garages you can trust. You can be assured that as a member we will perform services to a strict standard and will always have your best interests at heart. The scheme is based around a code of conduct that sets quality standards and procedures for the benefit of the garage and the customer. Customers are encouraged to leave feedback about the service they receive with a running score for each member garage appearing on the GGS website.

For more details go to: [www.goodgaragescheme.com](http://www.goodgaragescheme.com)

You know that terrible feeling, You go to tax your vehicle and the MOT has expired, some times weeks before.

We are offering MOT test appointments within 24 hours, and in some cases emergency slots the same day.

With our New ATL (one man automated test lane), we have increased our capacity, and at present have regular spare test slots each day.

(subject to demand)
